

Dear Potential Circle the State Members,

God's Blessings to you today! I wanted to share some information about Circle the State.

Details: mrscheiderer.wikispaces.com

- Circle the State with Song is a choir for grades (4-5) & (6-8). It is meant for students who have above average abilities in music.
- Students at Immanuel, and throughout the state, all learn the same music and then come together to have a workshop and a concert.
- The workshop & concert will be on **February 13th at Columbus North High School.**
- We will also sing for the Christmas & Spring Concerts, as well as events during the school day.
- Rehearsals are every Wednesday (that school is in session) at 7:30 AM.
- Circle the State charges each student \$27.00 for this event. Checks can be made to Immanuel Lutheran School
- *Note: The 8th Grade Girls Basketball LIT is the same day as Circle the State*
- Please submit this form by **November 24th or earlier (Before Thanksgiving Break)**

If your child is looking for a musical challenge or is very excited about music, this would be a good opportunity for them. As always, please see me if you have any questions.

God's Blessings to you!

Paul Scheiderer
